## Weekly video sermons available as a parish option!

*Sharing our journey together, we're offering an additional optional resource through this very busy time of the year. We'll have six sermons that accompany the study that can be used on Sundays to parallel our journey. Six different preachers in our diocese will address the topics, giving you a new resource to consider.*

Our authors again this year are Wayne Kirkland of St David's Naenae for the adult studies, and Diana Langdon of All Saint's Hataitai for the family & children's studies.
