Congregations are often confused or uninspired by the emphasis on Old Testament themes during Advent and too "over" Christmas by December 26 to pay much attention to the gospel stories that follow Jesus' birth. *Walking Backwards to Christmas* starts at the end of the story, with Jesus' presentation to Anna and Simeon at the temple, and moves backwards through Herod's slaughter of the innocents, the wise men's visit,

Jesus' birth in a stable, Mary's pregnancy, and finally to the much-earlier hopes and dreams of Isaiah and Moses.

Telling the Christmas story through the eyes of both famous figures like King Herod and imagined characters like the innkeeper's wife, Stephen Cottrell invites readers to experience Jesus' birth anew, with greater appreciation of the dark themes and ancient figures relevant to the Advent story.

Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it

means to travel through life with Christ. A Christian course for the 21st century, Pilgrim offers an approach of participation, not persuasion. Following the practice of the ancient disciplines of biblical reflection and prayer with

quotes from the Christian tradition throughout the ages, Pilgrim assumes little or no knowledge of the Christian faith. Individuals or small groups on the journey of discipleship in the Episcopal tradition can use Pilgrim at any point.

Pilgrim is made up of two parts, each with four courses contained in four booklets:

Follow: Do you turn to Christ?

1. Turning to Christ
2. The Lord's Prayer
3. The Commandments
4. The Beatitudes

Each course offers six sessions each that combine a simple prayer, reflection on a biblical selection using lectio divina, an article by a modern writer, and reflection questions.

Course 1. Turning to Christ: What do Christians believe? This is the question explored as the questions that are asked at Holy Baptism are discussed. We begin by looking at whom Jesus was; why did people want to spend time with him so long ago and why do we promise to turn to Christ and follow him today? This is followed by learning what Christians believe about God, Jesus Christ as the Son of God, the Holy Spirit, and the Baptismal Covenant.

sessions as a gateway to the Christian gospel, as a guide to our own prayers, and as a way of deepening our relationship with God. Here is a way of seeing God and the world and yourself which is profound and revolutionary and good news.

Pilgrim - The Beatitudes: *A Course for the Christian Journey (Pilgrim Follow 4)*

Course 4. The Beatitudes: The Beatitudes are a short but profoundly beautiful and influential collection of sayings by Jesus. They sum up his teaching about what

it means to live as a child of God's kingdom. This course believes that following Jesus requires us to engage with this important text, so that it is restored to a central place in the life of the Church. We believe that the Beatitudes, and trying to live them out, is one of the best ways of loving God with all your heart and understanding the Christian vision for the world.

The Emmaus series has sold over 50,000 books since its launch in Autumn 1996 and continues to grow rapidly, both here and abroad. A sustained interest in Emmaus has meant a sustained demand for the

Emmaus resources, especially the Introduction booklet and the Nurture course. This resource is designed to welcome people into the Christian faith and the life of the Church. The introductory book gives essential background to both the theology and practice of the Emmaus course, including: how to use the catechumenate approach as an accompanied journey into faith; how to use the biblical model of the road to Emmaus; how to run the Emmaus course in your own church.

Contact is a practical, hands-on booklet that helps churches make the most of their connections with those outside the church. Most churches find that setting-up a course for non-churchgoers to explore Christianity is not the most difficult task - getting them to come is the real

test. Here's where Contact steps in. Contact builds on insights from recent research and case studies and provides helpful advice for churches on: making contact with those outside the church making the most of existing contacts, such as occasional attendees, toddler groups connecting with people's spirituality how to set up a nurture group encouraging your church to be involved in evangelism and outreach This second edition builds upon the experience of those who have used the Emmaus

material since it was first published and also the considerable amount of statistical research which has been done in recent years.
