

Young leaders development programme

We are looking for young adults from your mission unit or parish to join us in 2021 for two years of intentional faith, character, and leadership development. Leaders selected should be between the ages of 18 and 30, have demonstrated leadership ability, a deep commitment to Jesus, and have a sense of long-term commitment to the Anglican movement. This year the programme will feature leaders from around Aotearoa with unique perspectives and experience on leading in the local church. Past speakers have included Jay Ruka, Duane Major, Rev. Spanky Moore, as well as our Bishops Ellie & Justin.
